

January 2021

Hello Everybody

I do hope that all is well with you in the very difficult times we are experiencing at present; the Sussex Kidney Trust Committee and I send our best wishes to one and all. In anticipation that things will be improved next year I have made a reservation at Henfield Hall on Wednesday 7th April 2021 for the Annual General Meeting to take place, I am keeping my fingers crossed that we will be able to go ahead with it so please enter the date in your Forward Planner for 2021. It will have to be an extra special Afternoon Tea to make up for this year!!

To bring you up to date in case you have not already been advised of what has taken place since my last message, Daphne Griffin has now retired as Treasurer, I and the Committee thank her most sincerely for her input while she held this position. We were very pleased to welcome on board Sheila Cheal as the new Treasurer; her contact details are 16 Beech View, Angmering, BN16 4DE Telephone 01403 211420. email: sheilacheal@aol.com We hope Sheila will enjoy being a member of the SKT Committee.

The new Chairs which were purchased last year by the Trust have proved very successful and much appreciated by the Patients undergoing Treatment at the Brighton Unit. Our sincere thanks for the donations and support the Trust receives from so many sources: it means we can continue to provide the necessary equipment needed for the Renal Units at Brighton, Worthing and Bexhill Hospitals.

If you wish to have more information about the Sussex Kidney Trust, please contact me: I will be very pleased to help.

Kind regards and Stay Safe

Jenny
Sussex Kidney Trust Chairman
