The Sussex Kidney Trust was formed in 1967 by The Sussex Area NAFAS and is run by a voluntary committee from members of the Sussex Area. All the money raised goes to the purchase of vital equipment for the Renal Units of the Royal Sussex County Hospital Brighton, Worthing and Bexhill and also in patient's homes.

Since the formation of the Trust over £1 million worth of equipment has been purchased. The Trust is indebted to the members of the Sussex Area and to the many other people who have supported the Trust throughout the years.

Please help us to keep up the good work.
